

I (too) have a
dream...

Geoff Roberts
Chairman

Aire Rivers Trust
Connecting people, places and nature

About this session

- Share my dream
- Offer the context
- Seek your input...
- ... and feedback

Things got better

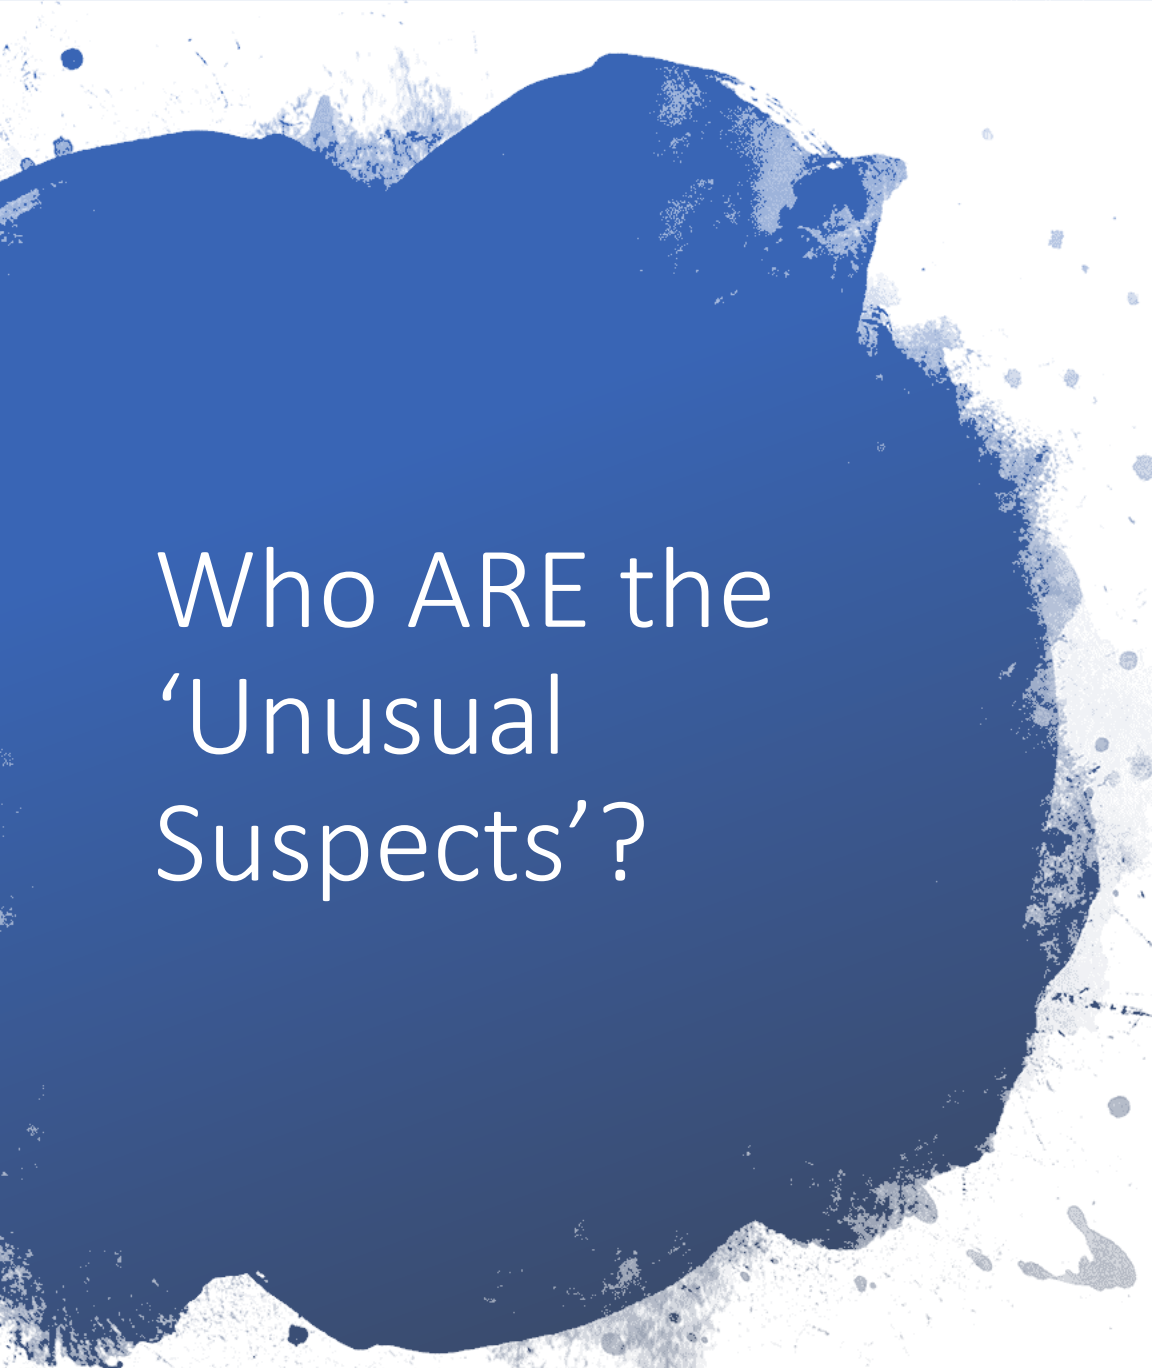

New ideas

- DNAire
- Leeds FAS2 – NFM especially
- White Rose Forest
- YWS' 1 million trees
- Upper Aire Project
- Leeds City Region GBI Strategy
- AMP7
- Integrated Catchment Monitoring
- Aire Catchment Network
- ...and others...

“The Aire is a gold standard
example of the renaissance
of a post-industrial river”

Who ARE the 'Unusual Suspects'?

- Transport
- Health
- Housing
- Technology
- Tourism
- Economic regeneration
- ?????

This is where you can help

- How can 'environmental issues' contribute to/be improved by each of these key areas?
 - Have we missed any?
- (Apart from the £££) what are the barriers to progress?
- Who do we need to get into the tent?

What next?

- Help answer these questions
- Find a topic area that attracts your attention...
- ...answer the questions
- ...be prepared to report back anything interesting from your group
- ...especially about what we should do next to further the vision
- Feel free to move around
