

Agenda - iCASP NFM Community of Practice and CaBA Integrated Catchment Delivery events

Funding fair and innovative funding for successful natural flood management

Monday 20th January 2020, 9.30am to 5.00 pm, Bradford Town Hall

Shared goals for this workshop

- 1) Innovative sustainable future funding - improving our confidence to secure it, learn from and share best practice on future NFM partnership funding opportunities.
- 2) Securing funding opportunities now – matching people needing funding now with funders and different funding sources wanting to fund more NFM.
- 3) Agreeing shared priorities for action to mobilise future funding – what is needed to be successful.
